Frøland & Noss Elektro	Electrical 	Norway	167	Jun
<i>After end of quarter</i>				
AS Elektrisk	Electrical 	Norway	66	Jul

Instalco's financial targets and dividend policy

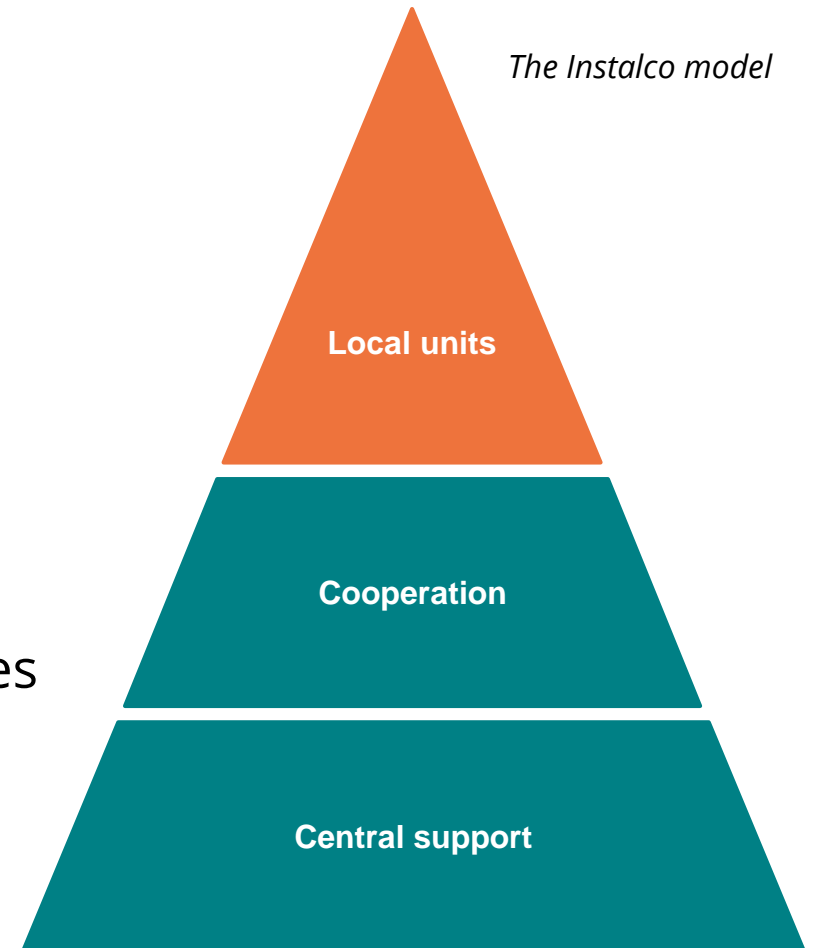

Area	Target
Growth	<ul style="list-style-type: none">Adjusted EBITA¹ shall reach SEK 450m not later than the end of 2019, implying a doubling of adjusted EBITA for the financial year 2016The average organic sales growth shall amount to 5% over time
Margin	<ul style="list-style-type: none">Instalco aims to deliver an adjusted EBITA margin of 8.0%
Capital structure	<ul style="list-style-type: none">Instalco's net debt in relation to adjusted EBITDA² shall not exceed a ratio of 2.5
Cash conversion	<ul style="list-style-type: none">Instalco aims to achieve a cash conversion ratio of 100%, measured over a rolling twelve-month period
Dividend policy	<ul style="list-style-type: none">Instalco targets a dividend payout ratio of 30% of net profit

Instalco's financial targets set forth above constitute forward-looking information that is subject to considerable uncertainty. The financial targets are based upon a number of assumptions relating to, among others, the development of Instalco's industry, business, results of operations and financial condition. Instalco's business, results of operations and financial condition, and the development of the industry and the macroeconomic environment in which Instalco operates, may differ materially from, and be more negative than, those assumed by Instalco when preparing the financial targets set out above. As a result, Instalco's ability to reach these financial targets is subject to uncertainties and contingencies, some of which are beyond its control, and no assurance can be given that Instalco will be able to reach these targets or that Instalco's financial condition or results of operations will not be materially different from these financial targets

1) Adjusted EBITA including full-year pro-forma consolidation of acquisitions and excluding exceptional items
2) Adjusted EBITDA including full-year pro-forma consolidation of acquisitions and excluding exceptional items

Summary

- Strong margins
- Strong order backlog
- Profitability in Rest of Nordic on track
- Solid development in Sweden
- Successful IPO
- Continue to pursue high-quality companies with leading positions and documented profitability and growth

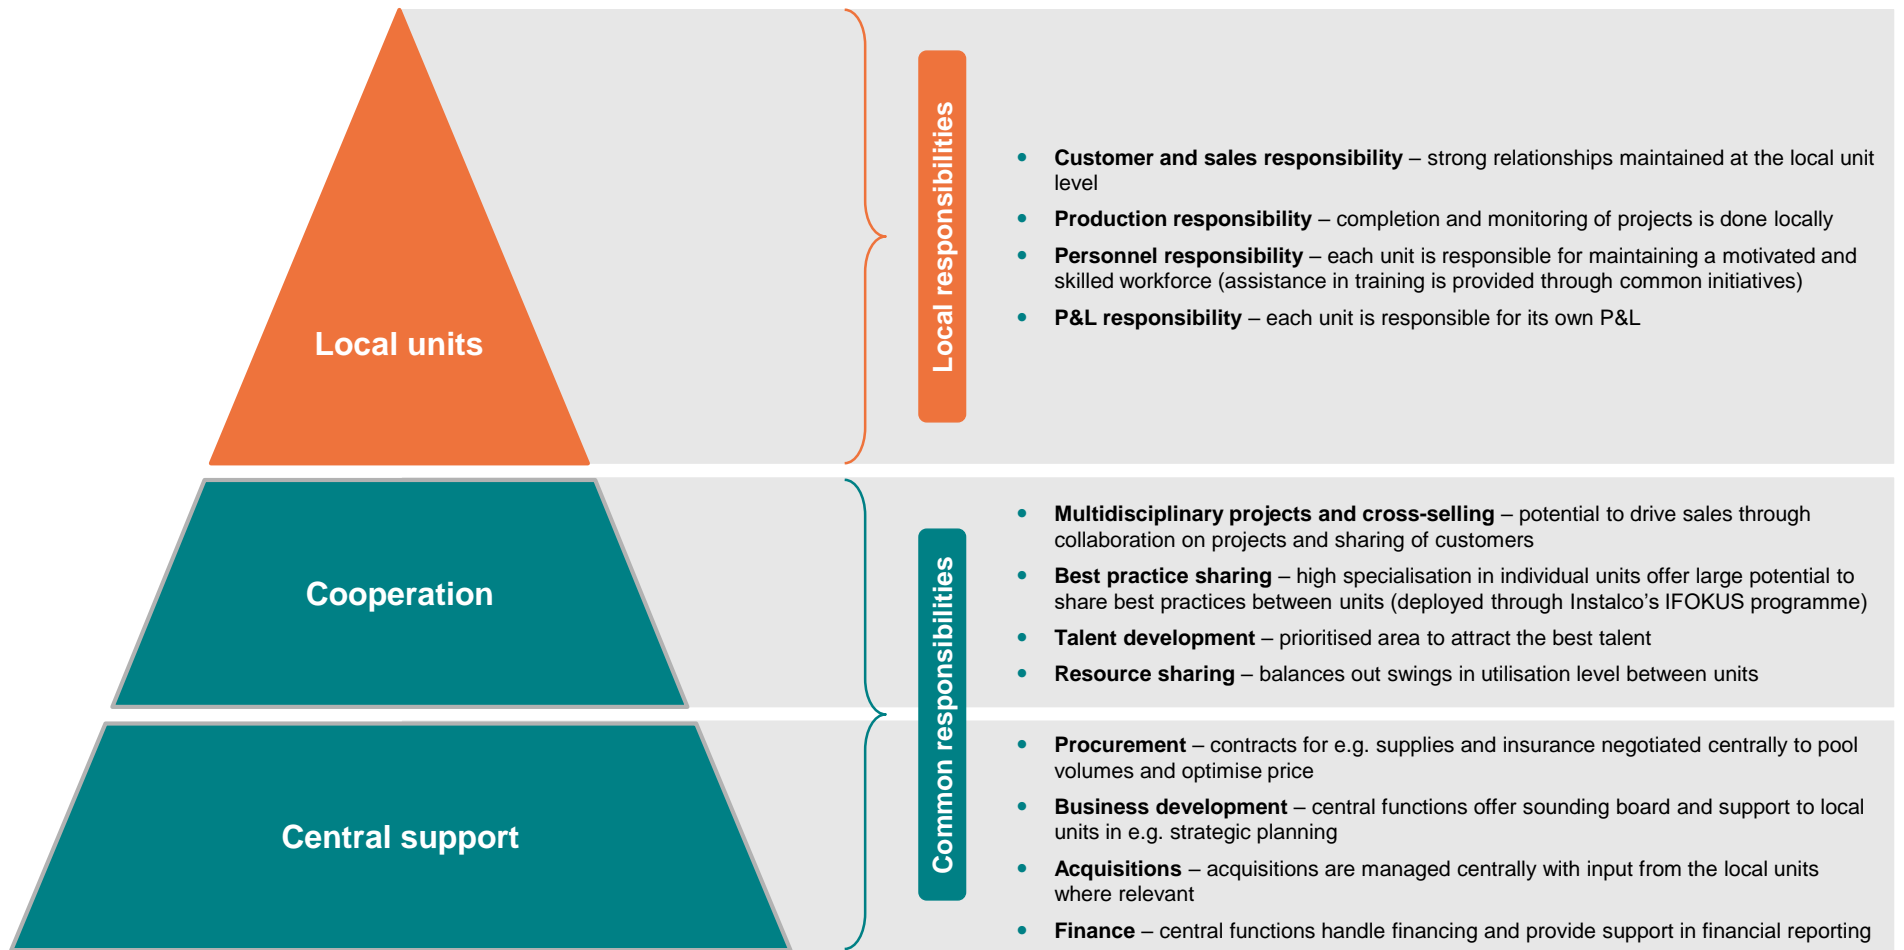

APPENDIX

The Instalco model

The Instalco model – local units supported by central functions

- The local units are the core of Instalco's operations – have full responsibility to drive the day-to-day business
- Instalco aims to provide an ecosystem for local market leaders to thrive and grow in
- Lean approach to central functions – services only added if they are requested by the local units
